Dear Cobra Family:

This summer, as I began to share my new assignment with my neighbors and friends, I cannot begin to tell you how many times I heard, "Southern Nash Middle...you are going to absolutely love it there." I am honored to join a team that is held in such high regard throughout our community. I have met many of you over the last few weeks, but I would like to take the opportunity to formally introduce myself.

My name is Kelly Anne Shelton Mudd. I am originally from the mountains of Virginia, and I graduated from the University of Maryland. I moved to Eastern North Carolina in 2006 specifically to teach in a rural community. I am a former Exceptional Children's teacher at middle schools in both Nash-Rocky Mount and in Vance County schools. I taught students with moderate to severe disabilities in a self-contained classroom, and coached girl's volleyball and softball.

I am privilege to now be joining the Southern Nash Middle School team as an administrative intern, an opportunity being afforded through the Northeast Leadership Academy at N.C. State University.

The primary goal of my internship is to gain the knowledge base, skill set, insight and disposition needed to become a top tier leader and school administrator. I cannot think of a better school in which to grow and learn. I also realize that my internship success is only as strong as my relationships and experiences with you. I am here to work with you, learn from you and support you however I can.

Over my first few weeks, I have witnessed firsthand the positivity that precedes your reputation as an outstanding school. I believe that as a team we will empower our students to reach their wildest dreams, regardless of race, gender, cognitive ability or one's place in society. Working together as one team, striving towards one goal, there are no limits for our Cobra community!

Thank you for welcoming me and allowing me to serve and learn with you. I am excited to be a Cobra!

Sincerely,

Kelly Anne Shelton Mudd
Administrative Intern . ksmudd@nrms.k12.nc.us
